

Banaroo, Sleep My Baby Tonight

Sleep my baby, tonight
You're my sweetest delight
I keep you cozy and warm
Dreaming an angel is born
Sleep my baby, divine
You will always be mine
Sing me a sweet lullaby
Sleep little baby, tonight
Sleep my baby, don't cry
All your tears will go by
Morning has broken for you
Someday your dreams will come true
Sleep my baby, for me
Love will always be free
Heaven is close by your side
Sleep little baby, tonight
