

Banaroo, You

Youre my Guardian Angel
Standing here by my side
Love me now or never
Kiss me and hold me tight
Youre my Guardian Angel
Leading me evry day
Hold my hand, cause heaven
Is only a step away
Youre my Guardian Angel
Guiding me through the night
Stay with me forever
Tomorrow will be all right
Youre my Guardian Angel
Stay til the end of time
Tell me Im not dreaming
Im waiting for a sign
