C□□ /d□ g□□ /f#

I gotta hold you in these arms of steel

Em□□□□ d□□ d7

Lay your heart on the line ... this time

I wanna breathe when you breathe

When you whisper like that hot

Summer breeze

Count the beads of sweat that cover me

Didn't you show me a sign, this time

Who else is gonna bring you

A broken arrow

Who else is gonna bring you

A bottle of rain

There he goes, moving across the water

There he goes turning my whole

World around

Can you see what i see

Can you cut behind the mystery

I will meet you by the witness tree

Leave the whole world behind

I want to come when you call

I'll get to you if i have to crawl

They can't hold me with these iron walls

We've got mountains to climb

Who else is gonna bring you

A broken arrow

Who else is gonna bring you

A bottle of rain

There he goes, moving across the water

There he goes turning my whole

World around
