Band, The  
Miscellaneous  
He Don't Love You  
He don't love you and he'll break your heart  
Just like you're breaking mine  
Then he'll take all of your love  
And leave you behind  
I know the name of his game  
Says sweet words like flowing rain

Do you believe that he loves you?  
Do you really think that he loves you?  
Girl i just want you to know  
He don't love you and he'll break your heart

He got money and a big fine car  
He'll buy your heart's desire  
But pretty soon he'll put you down  
Put your feet flat on the ground  
Stick with me, stay with me  
We'll have love the way it ought to be

Do you believe that he loves you?  
Do you really think that he loves you?  
Girl i just want to tell you  
He don't love you and he'll break your heart

Make you cry telling lies  
I hope you'll realize mmmm...  
He don't love you and he'll break your heart

Just like a city dude  
Then you'll finally find out  
He don't care for you  
You didn't know which way to go  
But like i told you woman long time ago

Do you believe that he loves you?  
Do you really think that he loves you?  
Oh you can't believe that he loves you  
Oh he'll put you down  
Put your flat feet on the ground
