G em7□ c d g c□ g  
But the clouds never hung so low□before

It makes no difference how far i go  
Like a scar the hurt will always show  
It makes no difference who i meet  
They're just a face in the crowd  
On a dead-end street  
And the sun don't shine anymore  
And the rains fall down on my door

These old love letters  
Well, i just can't keep  
'cause like the gambler says  
Read 'em and weep  
And the dawn don't rescue me no more

D□□ bm  
Without your love i'm nothing at all  
C□□ cm  
Like an empty hall it's a lonely fall  
D□□ bm  
Since you've gone it's a losing battle  
C  
Stampeding cattle  
Am□ d  
They rattle the walls

And the sun don't shine anymore  
And the rains fall down on my door

Well, i love you so much  
It's all i can do  
Just to keep myself from telling you  
That i never felt so alone before
