Mystery Train  
Train arrive 16 coaches long  
Train arrive 16 coaches long  
Well that long black train  
Got my baby and gone

Train train rolling round the bend  
Train train rolling round the bend  
Well it took my baby  
Away from me again

Come down to the station  
Meet my baby at the gate  
Asked the station master  
If the train's running late  
He said &quot;if you're a-waiting  
On the 444  
I hate to tell you son  
That train don't stop here anymore&quot;

Train train rolling down down the line  
Train train rolling down the line  
Well it took my baby  
And left poor me behind

-solo-

Heard that whistle blowing  
It was the middle of the night  
When i got down to the station  
The train was pulling out of sight

Mystery train smoking down the track  
Mystery train smoking down the track  
Well i don't want no ride  
Just bring my baby back
