Band, The, That's My Home

Band, The
Miscellaneous
That's My Home
You how long i've waited
I waited for so long
It needs a place i'm going
That's my home
Princie, how do you do?
They all greeted too
Others have done so too
That's my home

(bridge)

It matters a difference If it's a one-room set Any time that i get back I still like it like that

And we got blues that match the sky And love hurts like a fly Until the day i die That's my home

(bridge)

And friends say, "how do you do?" We all greeted too Others have done so too That's my home That's my home That's my home
