The Unfaithful Servant

E7 d/f# g□ d/f# a/e□□ am7

Unfaithful servant, i hear you leavin' soon in the mornin'

G□ d/f□ e7 □□ asus4

What did you do to the lady, that she's gonna have to send you away?

G□ d/f# a/e□ am7

Unfaithful servant, you don't have to say you're sorry,

G□□ d/f#□ e7□ asus4

If you done it just for the spite, or did ya do it just for the glory?

Bm/g□□ a/f#

Like a stranger you turned your back,

C/g□□ g□ f#7

Left your keys and gone to pack.

Bm/g□□□ a/f#

Bear in mind who's to blame, and all the shame;

E7□□ em7 □□ebmaj7

She really cared, the time she spared and the home you shared.

Unfaithful servant, i can hear the whistle blowin',

Yes, that train is a-comin' and soon you'll be goin'.

Let us not bow our heads for we won't be complainin';

Life has been good to us all

Even when that sky is rainin'.

To take it like a grain of salt

Is all i can do. it's no one's fault,

Makes no diff'rence if we fade away.

It's just as it was, it's much to cold for me to stay.

D□□ bm

Goodbye to that country home,

D□ a□□bm

So long to a lady i have known,

D□□ bm

Farewell to my other side,

E7□□asus4

I'd best just take it in stride.

G□ d/f# a/e□ am7

Unfaithful servant, you'll learn to find your place;

G□ d/f#

I can see it in your smile,

E7□□ asus4

And, yes, i can see it in your face.

Bm/g#□ a/f#

The mem'ries will linger on,

C/g□□□ a f#7

But the good old days, they're all gone,

Bm/g#□ a/f#

Oh! lonesome servant, can't you see,

E7□□ em7□ ebmaj7

That we're still one and the same, just you and me.
