Now and Forever

so what if she likes eminem  
so what if she's asleep by 10  
so what if she's been with all my friends  
so what if she'll break my heart again

so what if she doesn't do well in school  
so what if all the seniors drool  
so what if she can't earn my trust  
so what if she only cares about lust

pre-CHORUS

it's all worth it  
at least to me  
nobody else will ever be  
the girl with a thousand reasons why  
she's never down

CHORUS

i want her now and forever  
there's nobody better  
tell me i'm dreaming  
but don't wake me up  
i want to show her the real guy  
not just the passerby  
tell me i'm dreaming  
but don't wake me up

she likes to dance and groove to rap  
licks lips and grinds up on my lap  
she tells me "all your bands just whine"  
sorry if they don't got mad rhyme

pre-CHORUS

CHORUS 2x

don't wake me up
