

Bandido, I Drove All Night

I Drove All Night
I had to escape
The city was sticky and cruel
Maybe I should have called you first
But I was dying to get to you
I was dreaming while I drove
The long straight road ahead, uh, huh

Could taste your sweet kisses
Your arms open wide
This fever for you is just burning me up inside

I drove all night to get to you
Is that all right
I drove all night
Crept in your room
Woke you from your sleep
To make love to you
Is that all right
I drove all night

What in this world
Keep us from tearing apart
No matter where I go I hear
The beating of your heart
I think about you
When the night is cold and dark
No one can move me
The way that you do
Nothing erases the feeling between me and you

Could taste your sweet kisses
Your arms open wide
This fever for you is just burning me up inside

... to hold you tight
