Wanna Dance With Somebody

Clocks strikes upon the hour

And the sun begins to fade

Still enough time to figure out

How to chase my blues away

I've done alright up 'til now

It's the light of day that shows me how

And when the night falls loneliness calls

Oh wanna dance with somebody

I wanna feel the heat with somebody

Yeah wanna dance with somebody

With somebody who loves me

I've been in love and lost my senses

Spinning through the town

Soon or later the fever ends

And I wind up feeling down

I need a man who'll take a chance

On a love that burns hot enough to last

So when the night falls

My lonely heart calls
