

BANG B, Deja Vu (feat Mario Bischin)

Sunkissed
We just wanna dance
Don't let it go
This night is our chance
Move like
Nobody sees
This night
Can also kiss

Lights on, we're on the floor
Can you give me some more?

Tell me what you gonna do
If I just steal this dance with you
Tell me what you gonna do
If we can make it last so true
Tell me what you gonna do
If I just steal this dance with you
Tell me what you gonna do Baby, it's a deja vu

Pina colada
Sex on the beach
We drink it all night
And feel so free
What else
Do we need?
Make it last
Feel the beat

Lights on, we're on the floor
Can you give me some more?

Tell me what you gonna do
If I just steal this dance with you
Tell me what you gonna do
If we can make it last so true
Tell me what you gonna do
If I just steal this dance with you
Tell me what you gonna do Baby, it's a deja vu
