Bang Camaro, The Hit

Some things, don't catch, On fire, the way that we do; Who knew one match ignites The way we light you. It's cool, I catch, The ice that surrounds you, And still, I cant rewrite, This temperature. Girl we could use a light right now, Find me in the dark somehow. [Chorus:] So as we look into your eyes, You see the truth, We won't tell you any night lies; So as you look into our eyes, And see right through; Please, don't leave. Some things, don't crack, Until they're under pressure, We won't, attack until; You ask us to. Some things, don't catch, On fire, the way that we do, Stand back, relax, don't fight; As we consume you. Girl we could use a light right now, Find me in the dark somehow. [Repeat Chorus:] Ahhhh (4x) So as we look into your eyes, You see the truth, We won't tell you any night lies; So as you look into our eyes, And see right through; [Repeat Chorus:]
