Bang Gang, Follow

Can you feel the sun Can you feel it burn Shining alone Minding it's own Blinding my soul It gets me higher

Now follow me always Into the sky Where we reach the stars Now follow me slowly Over the stars Where we reach the sky Where we reach the sky Where we reach the sky

Can you feel the sun Can you feel it burn Shining alone Minding it's own Blinding my soul It gets me higher

Now follow me always Into the sky Where we reach the stars Now follow me slowly Over the stars Where we reach the sky Where we reach the sky Where we reach the sky
