Bang Gang, So Alone

The nights has strange moonlight It's so confusing Alone I watch the sky Tired and breathing

But if you want me I won't be so alone You can always Fool the sun

And if you want me I won't be so alone You can always Bring the fun

The sea is my best friend We're always crying When crawling in the sand Tired of breathing

But if...

The night has strange moonlight The sea is my best friend When crawling in the sand Tired of breathing

But if... But if...
