

# Banghra, My Own Way

I wanna live in my own way  
I wanna live in my own way  
Every time, oh yeah.

Can't you see my feelings?  
They're like a whirlwind (I'm) leaving all my daydreams  
'cause I need to go outside.

Close your eyes and hear me  
We don't have eternity  
(I've been) singing your songs since years ago  
Now I just wanna go away.

I wanna live in my own way  
Thinkin' back it isn't right  
I wanna live in my own way,  
This is what I feel inside.  
Yes, so much to lose by your side,  
I wanna live in my own way  
Every time, oh yeah.

I say, don't, don't take my time  
I say, don't, don't, 'cause I want my life.

Ya no quiero que te vayas,  
Yo no vivo sin ti  
Necesito verte every moment  
I don't wanna lose my heart  
It's looking only for you  
But i'm falling for you  
Si te kedas a mi lado yo te doy mi calor  
&#oacute;lo quiero que me des cario  
Oye banghra  
Listen banghra!

I wanna live in my own way  
Thinkin' back it isn't right  
I wanna live in my own way,  
This is what I feel inside.  
Yes, so much to lose by your side,  
I wanna live in my own way  
Every time, oh yeah

I say, don't, don't take my time  
I say, don't, don't, 'cause I want my life.

Can't you see my feelings?  
They're like a whirlwind (I'm) leaving all my daydreams  
'cause I need to go outside.

Close your eyes and hear me  
We don't have eternity

I wanna live in my own way  
Thinkin' back it isn't right  
I wanna live in my own way,  
This is what I feel inside.  
Yes, so much to lose by your side,  
I wanna live in my own way  
Every time, oh yeah (x2)

I say, don't, don't take my time

I say, don't, don't, 'cause I want my life.
