Bankrupt, Sidewinder

What's coming your way is just what it seems She's going to blow you to smithereens No radar can find her location Cos her name is Annihilation And she's gonna find you wherever you are Your lifeline's short, much shorter than mine Her deadly precision will leave you no time Sidewinder, merciless heatseeker Your body's glowing red to lead her And she's gonna find you wherever you are Problem solved, business done From the Falkland shores to Vietnam Sidewinder, merciless heatseeker Your body's glowing red to lead her And she's gonna find you wherever you are
