

Barbara Mandrell, Ain't It Good

Ain't it good to have someone to talk to someone you can trust and be proud of
Ain't it good to know he needs you and always does his best to please you
Ain't it good just be in love

Nights are never cold since I've got strong arms to hold me
Warm lips to kiss me and I feel so good inside
And when you say you love me it makes everything better
I just can't get enough of you
Ain't it good to have someone to talk to...
[steel]
When it's time for loving you know just how to touch me
You never rush me and I feel so satisfied
And I can hardly wait to feel your arms wrapped around me
And let the love surround me one more time
Ain't it good to have someone to talk to...
Ain't it good just be in love
