

Barbara Mandrell, Watching My World Walk Away

I never dreamed his footsteps could ever sound so lonely
As they did when he left today
I raised my hand and brushed away your tear as I helplessly stood there
Watching my world walk away
I'm leaving forever he said with his eyes but his lips had nothing to say
I never thought I'd live to see the day I'd be standing in this doorway
Watching my world walk away
[guitar - steel]
I'm leaving forever...
I never thought I'd live to see the day...
Watching my world walk away
