

Barbershop 2 - Back In Business, Never

You're tellin' me we're cool
But, that just ain' enough
'Cause everything that you do
Makes me want you more
Feelings that I have for you
Can't be replaced easily
But you see to think that
You have the best of me
But, my love is closed for you
Let nobody enter
Even when I'm with someone
Ain't the same when I'm with ya
Please tell me
That you're listenin'
Please tell me
That you're hearin' me
'Cause I'm gonna be here always
Even if you gimme
All your love
Even if you gimme
All your kisses
It will be never
Never too much
Never too much
Even if you gimme
All you love
Even if you gimme
All your kisses
It will be never
Never too much
Never too much
Never too much
Give me all you love
Never be too much
Give me all you love
Never be too much
Even if you give me
'Cause I don't know that, baby
If it still will be but
Every time I see you, boy
Ooh, what you do to me
Make my body shiver, lift
Quiver, wanna say your name
Lovin' you is like an emotional ride
Here to stay
But, my love is closed for you
Let nobody enter
Even when I'm with someone
Ain't the same when I'm with ya
Please tell me
That you're listenin'
Please tell me
That you're hearin' me
'Cause I'm gonna be here always
Even if you gimme
Even if you gimme
It will be never too much
Never too much
Never too much
Even if you gimme
All you love
Even if you gimme
All your kisses
It will be never, never too much

Never too much
Never too much
Give me all you love
Never be too much
Give me all you love
Never be too much
Even if you give me
Yo, don't give a fuck about the money
And the bank you got, love you the same
Even if you give me trinkets stop
Got my heart in ya hands and I think you know
Can't put a price on my love and the way we grow
I think I melt inside when you look in my eyes
Baby, all I see is you, fuck them niggas who try
Don't ever worry about my loyalty
Tried the others and I'm cool
'Cause you treat me like I'm royalty
Been through the bullshit
Been through the games
Been through the telephone arguments
With nothin' ass games
All them crazy days you helped me maintain
Sometimes I think your love be keepin' me sane
Never worry, daddy, I never goin' nowhere
Whatever happens, best believe, I'ma stay right here, yeah
I need your kisses and I need your touch
Don't ever think I've had it all
'Cause it's never too much, come on
Give me all your love
Never be too much
Give me all your love
Never too much
Never too much
Never too much
Even if you gimme
All your love
Even if you gimme
All your kisses
It will be never
It will never be too much
Even if you gimme
All you love
Even if you gimme
All your kisses
It will be never
Never too much
Never too much
Even if you gimme
Even if you gimme
It will be never
Never too much
Never too much
Never too much
Even if you gimme
Even if you gimme
It will be never
Never too much
Never too much
Never too much
Even if you gimme
Even if you gimme
It will be never
Never too much
Never too much
Never too much
