

Barbershop 2 - Back In Business, Your Precious

Ooh, every day there's somethin' new
Honey, to keep me lovin' you
And with every passin' minute
Ah baby, so much joy wrapped up in it
Oh, Heaven must have sent you from above
Oh, Heaven must have sent your precious love
And I, I've got a song to sing
Tellin' the world about the joy you bring, yeah
And you gave me a reason for livin'
And ooh, you taught me, you taught me the meanin' of givin'
Oh, Heaven must have sent you from above
Oh, Heaven must have sent your precious love
To find a love like yours is worth these days
'Cause you've shown me the happiness in so many ways
I look in the mirror, and I'm glad to see
See the laughter in the eyes where tears used to be
What you've given me baby, I could never return
'Cause there's so much heartache, I have yet to learn
And I wanna show, I wanna show my appreciation
'Cause when I found you, I found a new inspiration
Oh, Heaven must have sent you from above
Oh, Heaven must have sent your precious love
Oh, Heaven must have sent you from above
Oh, Heaven must have sent your precious love
