

Barbra Streisand, America, The Beautiful

Oh, beautiful for spacious skies
For amber waves of grain
For purple mountain majesties
Above the fruited plain
America, America
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea
Oh, beautiful for heroes proved
In liberating strife
Who more than self, their country loved
And mercy more than life
America, America
God mend thine every flaw
Confirm thy soul in self-control
Thy liberty in law
If you'd like to join me, please do
Oh, beautiful for spacious skies
For amber waves of grain
For purple mountain majesties
Above the fruited plain
America, America
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea to shining sea
