

Barbra Streisand, Didn't We

(someone shouting: I love you!)

Still uh? faithful. wait... wait. if I would have known there were so many
People on the two sides here I would have had my nose fixed! never! these
People are too smart...

This time we almost

Made the pieces fit

Didn't we, love?

This time we almost

Made some sense of it

Hum... didn't we, love?

This time I had the answer

Right here in my hand

Then I touched it

And it had turned to sand

This time we almost

Sang our song in tune

Didn't we, love?

This time we almost

Made it, made it

To the moon

Oh, didn't we, love?

This time we almost

Made a poem rhyme

This time we almost

Made that long hard climb

Didn't we almost

Make it?

Didn't we almost

Make it?

Didn't we almost

Make it?

This time...
