

Barbra Streisand, Disney Medley

[speaking]

Anyway, I usually don't talk about my private life, certainly not my love life. but there is someone that I know in the world; whether or not I have a good voice; or what my politics are...so, you don't have to speculate. I introduced me to some of the most incredible movies that I have ever seen; one of them was "The Sandlot" and the other one was "Sleeping Beauty" - I mean these are films that I love.

Once upon a dream

I know you, I walked with you once upon a dream

I know you, the gleam in your eyes is so familiar a gleam

[speaking]

And then I showed you "Dumbo" and "Pinocchio"

When you wish upon a star

When you wish upon a star

Makes no difference who you are

Anything your heart desires

Will come to you

If your heart is in your dream

No request is too extreme

When you wish upon a star

As dreamers do

[speaking]

And then one night, I was reading "Cinderella", and I said, "Cinderella", that's from "Snow White"! guess what? she was a princess.

Some day my prince will come

Some day my prince will come

Some day I'll find my love

And how thrilling that moment will be

When the prince of my dreams comes to me

He'll whisper "I love you"

And steal a kiss or two

Though he's far away

I'll find my love some day

Some day when my dreams come true

Some day we'll say and do

Things we've been longing to

Though he's far away

I'll find my love some day

The day when my dreams come true

Who'll, please, make my dreams come true...

[speaking]

I'd like to sing this next song for my son Jason, who's old enough to take care of himself, but it's always nice to hear a little love.
