Tell Him

I'm scared

So afraid to show I care

Will he think me weak

If I tremble when I speak

Oooh - what if

There's another one he's thinking of

Maybe he's in love

I'd feel like a fool

Life can be so cruel

I don't know what to do

I've been there

With my heart out in my hand

But what you must understand

You can't let the chance

To love him pass you by

Should I

Tell him

Tell him that the sun and moon

Rise in his eyes

Reach out to him

And whisper

Tender words so soft and sweet

Hold him close to feel his heart beat

Love will be the gift you give yourself

Touch him

With the gentleness you feel inside

Your love can't be denied

The truth will set you free

You'll have what's meant to be

All in time you'll see

I love him

Of that much I can be sure

I don't think I could endure

If I let him walk away

When I have so much to say

Love is light that surely glows

In the hearts of those who know

It's a steady flame that grows

Feed the fire with all the passion you can show

Tonight love will assume its place

This memory time cannot erase

Blind faith will lead love where it has to go

Never let him go
