

# Barbra Streisand, Goodbye for Now

Yes I know, goodbye for now  
How long, a year, a day?  
Yes I love you, yes you're with me  
Here now, next to me and worlds away  
See I free you and I'll see you  
When I see you fine, okay?  
Goodbye for now, again  
Goodbye until whenever then  
We're free, that's what we said we'd be  
At leave to come and go, you as well as I  
Somehow each hello  
Makes it worth goodbye for now
