Barbra Streisand, How Do You Keep The Music F

(Michel Legrand/Alan Bergman and Marilyn Bergman)

How do you keep the music playing?

How do you make it last?

How do you keep the song from fading too fast?

How do you lose yourself to someone

And never lose your way?

How do you not run out of new things to say?

And since you know we're always changing

How can it be the same?

And tell me how year after year

You're sure your heart will fall apart

Each time you hear his name?

I know the way I feel for you it's now or never

The more I love, the more that I'm afraid

That in your eyes I may not see forever, forever

If we can be the best of lovers

Yet be the best of friends

If we can try with every day to make it better as it grows

With any luck then I suppose

The music never ends

I know, the way I feel for you

It's now or never

The more I love, the more that I'm afraid

That in your eyes I may not see forever, forever

If we can be the best of lovers

Yet be the best of friends

If we can try with every day to make it better as it grows

With any luck then I suppose

The music never ends
