

Barbra Streisand, I Ain't Gonna Cry Tonight

I'm starting to walk and I'm learning to run
I'm seeing my friends and I'm having some fun
And the heartache and pain
Like the thunder and rain have all disappeared
'Cause I'm not gonna cry my eyes out anymore
There's a brand new world just waiting outside my door
I ain't gonna cry tonight, not while the music feels so good
You've got your friends and I'll get mine
We're out and have a real good time
I'm changing my style with a positive grin
And this feeling of joy comes from within
And the heartache and pain
Like the thunder and rain have all disappeared
'Cause I'm not gonna cry my eyes out anymore
There's a brand new world just waiting outside my door
I ain't gonna cry tonight, not while the music feels so good

You've got your friends and I be fine
We're out and have a real good time
And the heartache and pain
And the thunder and rain have all disappeared
And I'm not gonna cry my heart out anymore
I ain't gonna cry tonight, gonna have a party
I ain't gonna cry tonight, I ain't gonna cry tonight
Not while the music feels so good
You've got your friends and I get mine
We're out and have a real good
I ain't gonna cry tonight, not while the music feels so good
I ain't gonna cry tonight, I ain't gonna cry tonight
Learning to walk learning to run
Seeing my friends and having some fun
