

# Barbra Streisand, I Am Woman From

I am woman, you are man  
I am smaller, so you can be taller than  
I am softer to the touch  
It's a feeling I like feeling very much

You are someone whom I've admired  
Still our friendship leaves something to be desired  
Does it take more explanation than this?  
I am woman, you are man

I am woman  
You are man  
Let's kiss

I am woman, you are man  
I am gentle, so you can be barbarian  
I'm all pleats and pins and rogue  
Mostly sham, but man I love the subterfuge

I am fiction, I hope you are fact  
This contradiction is what makes it a perfect act  
Oh does it take more explanation than this?  
I am woman, you, you are man

I am woman  
You are man  
Let's, oh let's, oh let's  
Let's kiss
