

Barbra Streisand, I Won't Be The One To Let Go

Barbra Streisand

Duets

I Won't Be The One To Let Go

Barbra:

I have dreams for you and me

And wishes that will last

And live beyond eternity

Barry:

Summer's gone, winter's on

Can we weather everything

Our eyes have yet to see?

Barbra:

As the years go by

I promise you that I...

Both:

I will be the one to run to

When the nights are long

I'll be there when winds begin to blow

Even when it seems

That everything is going wrong

Barbra:

This I swear

Barry:

I swear

Both:

I won't be the one to let go

Barry:

Life gets tough

Barbra:

Ooh...

Barry:

Roads get rough

Barbra:

Ooooh...

Barry:

Who knows what awaits us round the bend

Barbra:

Count on me, faithfully

Though everything we have could never end

Barry:

It could never end

Both:

And through rain or shine

And every cloudy sky

Both:

I will be the one to run to

when the nights are long

I'll be there when winds begin to blow

Even when it seems

That everything is going wrong

Barbra:

This I swear

Barry:

This I swear

Both:

I won't be the one to let go

Barry:

I'll be there

Barbra:

I'll be there

Barry:

Anytime you need me

You'll know where I am

Barbra:

You'll know just where i am
And everywhere
Barry:
Everywhere
Barbra:
Anytime you're lost
Just turn around
Barry:
Just turn around
Both:
And take my hand and....
Both:
I will be your light in the night
And I promise
That even when it seems
That everything is going wrong
Barbra:
This I swear
Barry:
This I swear
Both:
I won't be the one
Barbra:
To let go....
Barry:
To let go....
This I swear
Barbra:
I swear
Both:
I won't be the one to let go
Barbra:
To let
Both:
Go...
