## Barbra Streisand, If You Go Away (Ne Me Quitte

If you go away On this summer's day Then you might as well Take the sun away All the birds that flew In the summer sky When our love was new And our hearts were high And the day was young And the night was long And the moon stood still For the night bird's song

If you go away

If you go away

If you go away

But if you stay

I'll make you a day Like no day has been

Or will be again

We'll sail on the sun

We'll ride on the rain

We'll talk to the trees

And worship the wind

Then if you go

I'll understand

Leave me just enough love

To hold in my hand

If you go away

If you go away

If you go away

Ne me quitte pas

Il faut oublier

Tout peut s'oublier

Qui s'enfuit di

Oublier le temps

Des malentendus

Et le temps perdu

A savoir comment

Oublier ces heures

Qui tuaient parfois

A coups de pourquoi

Le coeur du bonheur

Ne me quitte pas

Ne me quitte pas

Ne me quitte pas

But if you stay

I'll make you a night

Like no night has been

Or will be again

I'll sail on your smile

I'll ride on your touch

I'll talk to your eyes

That I love so much

Then if you go

I'll understand

Leave me just enough

To hold in my hand

If you go away

If you go away

If you go away

If you go away

As I know you must

There'll be nothing left In this world to trust

Just an empty room
Full of empty space
Like the empty look
I see on your face
Oh, I would have been
The shadow of your shadow
If it might have kept me
By my side
If you go away
If you go away
Please don't go away
