

# Barbra Streisand, Mene, Mene, Tekel

I don't recall all of the lyrics, particularly the bridge, but here is what I remember:

The King of Babylon, Belshazzer  
He was a mean old razzledazzler  
He never paid no income taxes  
The big shot of the Babylon-Jerusalem Axis

Mene, mene, tekel, tekel, tekel  
Mene, mene, tekel  
U-oo-pharsin

The King of Babylon, Belshazzer  
The King of Babylon, Belshazzer  
He was a mean old razzledazzler  
Sittin' with his wives and concubines  
A-shovin' in fried chicken and impor-orted wines

Mene, mene, tekel, tekel, tekel  
Mene, mene, tekel  
You-oo-pharsin

The King of Babylon, Belshazzer  
He was a mean old razzledazzler  
He never paid no income taxes  
The Bigshot of the Babylon-Jerusalem Axis

Mene, mene, tekel, tekel, tekel  
Mene, mene, tekel  
You-oo-pharsin

(Bridge: the lyric about the finger appearing  
I don't remember. But when the King saw it...)

The King grew cold Where he was sittin'  
The finger wrote, and havin' written  
It vanished slowly overhead  
And this is what the writng of the Go-ood Lord said,

Mene, mene, tekel, tekel, tekel  
Mene, mene, tekel  
You-oo-pharsin

The King grew cold where he was sittin'  
The Finger wrote and having written  
It vanished slowly overhead  
And this is what the writing of the Good Lord said

Mene, mene, tekel, tekel, tekel  
Mene, mene, tekel  
You-oo-pharsin
