

# Barbra Streisand, More in Love with You

I've known the smiles that melt your heart away  
Those past imperfect words that lovers say  
I've danced through the dawn, kissed and closed my eyes  
Yet all too soon, those sweet "Hellos" became "Good byes"  
Almost love, but never quite, never seemed exactly right  
Just another love affair, then I turned and you were there  
You smiled and the world never was the same  
I was in love before I even knew your name  
Instantly I knew all my life has led to you

And though the child in me was dazzled by your charms  
A woman was awakened in your arms  
Who dreamed I could feel all the things I do  
It seems all too wonderful, impossible and yet it's true  
I feel I'm falling more in love with you  
Each day I waken more in love with you
