Shall We Dance / Hello Young Lovers
We've just been introduced
I do not know you well
But when the music started
Something drew me to your side

So many men and girls
Are in each other's arms
It made me think
We might be similarly occupied

Shall we dance?

(shall we dance?)
On a bright cloud of music
Shall we fly?
Shall we dance?
(shall we dance?)
Shall we then say good night and mean goodbye? (goodbye)
Or per chance, (per chance)
When the last little star has left the sky (sky---)
Shall we then be together
With our arms around each other?
And shall you be my new romance? (new romance)
Oh, on the clear understanding
That this kind of thing can happen
Shall we dance? (shall we dance?)
(shall we? shall we? shall we?)
Shall we dance?

Hello young lovers whoever you are
(shall we dance?)
Be brave young lovers and follow your star
(shall we dance?)

Shall we dance?
(come on and make me dance, come on and make me dance)
(come on come on come on come on come on come on come on come on)

Shall we dance? (shall we dance?)
On a bright cloud of music
Shall we fly?
Shall we still be together
With our arms around each other
And shall you be my new romance? (new romance)
Oh, on the clear understanding
That this kind of thing can happen
Shall we dance?
(shall we? shall we? shall we? shall we? shall we?)
Shall we dance? (shall we dance?)
Shall we dance? (shall we dance?)
(shall we? shall we? shall we?)
Shall we dance? (shall we dance?)
