Silent night, holy night!  
All is calm, all is bright.  
Round yon virgin, mother and child  
Holy infant so tender and mild,

Sleep in heavenly peace.

Silent night, holy night!  
All is calm, all is bright.

Round yon virgin, mother and child  
Holy infant so tender and mild,

Silent night, holy night!  
All is calm, all is bright.  
Round yon virgin, mother and child  
Holy infant so tender and mild,  
Sleep in heavenly peace,  
Sleep in heavenly peace.
