

Barbra Streisand, With A Little Help From My Friends

What would you do if I sang out of tune?
Would you stand up and
And walk out on me?
Friends! Lend me your ears and I'll sing you a song
And I'll try not to sing out of key
Thank you!

Oh, I get by with a little help from my friends
And I get high, with a little help from my friends
And I'm gonna try, with a little help from my friends
What do I do when my love is away?
Does it worry you to be alone?
How do I feel by the end of the day
Are you sad because you're on your own?
No, mm, mm I get by with a little help from my friends
Mmm, I get high with a little help from my friends
And I'm gonna try with a little help from my friends
Do you need anybody, I need somebody to love
Could it be anybody, I want somebody to love
I need somebody to love, I want somebody to love
With a little help
Help, help
