

Barbra Streisand, You Must Believe In Spring

When lonely feelings chill
The meadows of your mind
Just think if winter comes
Can spring be far behind?
Beneath the deepest snows
The secret of a rose
Is merely that it knows
You must believe in spring
Just as a tree is sure
Its leaves will reappear
It knows its emptiness
Is just the time of year
The frozen mountain dreams
Of April's melting streams
How crystal clear it seems
You must believe in spring
When angry voices
Drown the music of the spheres
And children face the world
That's far beyond the years
Above the darkest sky,
The far horizons lie
With all the reasons why,
You must believe in spring!
You must believe in love
And trust it's on its way
Just as the sleeping rose
Awaits the kiss of May
So in a world of snow
Of things that come and go
Where what you think you know
You can't be certain of
You must believe in spring and love
You must believe in love
And trust it's on its way
Just as the sleeping rose
Awaits the kiss of May
So in a world of snow
Of things that come and go
Where what you think you know
You can't be certain of
You must believe in spring and love
You must believe in spring and love
You must believe in spring and love
