

# Barbra Streisand, You Must Believe In Spring

When lonely feelings chill  
The meadows of your mind  
Just think if winter comes  
Can spring be far behind?  
Beneath the deepest snows  
The secret of a rose  
Is merely that it knows  
You must believe in spring  
Just as a tree is sure  
Its leaves will reappear  
It knows its emptiness  
Is just the time of year  
The frozen mountain dreams  
Of April's melting streams  
How crystal clear it seems  
You must believe in spring  
When angry voices  
Drown the music of the spheres  
And children face the world  
That's far beyond the years  
Above the darkest sky,  
The far horizons lie  
With all the reasons why,  
You must believe in spring!  
You must believe in love  
And trust it's on its way  
Just as the sleeping rose  
Awaits the kiss of May  
So in a world of snow  
Of things that come and go  
Where what you think you know  
You can't be certain of  
You must believe in spring and love  
You must believe in love  
And trust it's on its way  
Just as the sleeping rose  
Awaits the kiss of May  
So in a world of snow  
Of things that come and go  
Where what you think you know  
You can't be certain of  
You must believe in spring and love  
You must believe in spring and love  
You must believe in spring and love
