

# Barbra Streisand, You Wanna Bet

Laygh all you want to  
But, I'm holding on to you  
Right from here on in,  
You wanna bet  
You'll sluff me off  
And I'll beg 'till you soften,  
And ten to one I'll win

You wanna bet,  
Taunt me,  
Call me a pest,  
But quite strangely,  
You'll be impressed,  
It's destiny.

Then by and by,  
You and I will be we,  
What a great duet,  
You wait and see  
Though you don't agree.

You wanna bet  
You'll hold on to me

Taunt me,  
Call me a pest,  
But quite strangely  
You'll be impressed  
Yes, it's destiny

Then by and by  
You and I will be we  
What a great duet,  
You wait and see  
Though you don't agree

You wanna bet,  
You'll hold on to me,  
Just you wait and see,  
You'll hold on to me.
