

# Barcelona, Please Don't Go

All those arrows you threw, you threw them away  
You kept falling in love, then one day  
When you fell, you fell towards me  
When you crashed in the clouds, you found me  
Oh, please don't go  
I want you so  
I can't let go  
For I lose control  
Get these left handed lovers out of your way  
They look hopeful but you, you should not stay  
If you want me to break down and give you the keys  
I can do that but I can't let you leave  
Oh, please don't go  
I want you so  
I can't let go  
For I lose control
