

# Barclay James Harvest, The, Someone There You

Barclay James Harvest, The  
And Other Short Stories/Baby James Harvest  
Someone There You Know

I've been looking for a place that i know well  
It's a long long way from here and when i get there  
I will tell, i will tell  
I've been looking for a time that i once knew  
I could spend some happy hours just being there with you  
It doesn't matter where you go  
As long as there is someone there you know

So if you need a friend you can depend on me  
'cause i know what it feels to be alone  
And in the darkest night you need a light to see  
Your shadow's sinking low  
Just like a stone  
Feels like a broken bone  
Guess i'll go on home

I've been looking for someone i know so well  
She's a long long way from me and when i find her  
I will tell her  
It doesn't matter where she goes  
As long as there is someone there she knows
