

# Barcode, Intolerance

Strange days in the neighbourhood  
Like stepping on foreign ground  
This is the place of our roots  
These are the hands that built this land  
COULD NOT CARE LESS  
Never made no promise nor kept one  
JUST GET SOME SPACE  
No matter the costs nor the prize  
PURIFIED STREETS NOW!  
'Bout time examples are made  
PUT 'EM ON DEATH ROW  
Weed 'em out, it's never too late
