

Bardot, Higher Than Heaven

Bardot
Bardot
Higher Than Heaven
You take me higher
You take me higher
You take me higher than I've ever been before
When I was down (down)
You always gave me the faith
You stuck around (round)
Gave me the strength to move on
I have no doubt
I'm gonna hold my head high
This time around
I'll keep my feet on the ground

With you I'm complete
Feels so right don't ask me why
(Feels so right don't ask me why)
No one can change me
You're the one that takes me higher (oh yeah)

[Chorus]
Give me love
Get me up
Give me all that I need
You're taking me higher than heaven
Bring me joy to my life
With sweet harmony
You're taking me higher than heaven

Now I'm no fool and everyone don't play by the rules
I've learned to fight for what I want out of life
Can't fault the way (you helped me day after day)
Your voice of love takes me higher and higher

Without you with me
There's no way I could survive
(There's no way I could survive)
My smile is honest
'Cause I'm on a spiritual high (oh)

[Repeat chorus]

Shaking me making me taking me
Higher and higher than heaven
Higher than heaven
Shaking me making me taking me
Higher and higher than heaven (oh)
Higher than heaven
It feels like I'm in paradise

[Repeat chorus to fade]
