

Bardot, Holding On

Bardot
Bardot
Holding On
Ohh yeah
I'm sitting here by myself
But I don't want to feel this way
I've been missing, I've been missing your love
There's never been nobody so good
Your so speacial to me
I'm not losing, I'm not losing your love
I always thought that I could do my thing
But I didn't know what your love could bring

[Chorus]
Since you came along
Baby I've been holding on
Since you came along
Baby I've been holding on

I'm gonna call you every day
Until I've got you by my side
Cause I've been missing, I've been missing your love
I'll never say goodbye no no
I'm never gonna do you no wrong
I'm not losing, I'm not losing your love
I always thought no one for me
But I didn't know how good your love could be

[Repeat chorus]

Your standing by my side when things go wrong
You hold me in where I belong
I've never been down since you came my way
Cause every time you smile
Baby you make my day

[Repeat chorus to fade]
