Bare Jr., Tobacco Spit

TOBACCO SPIT

Reel this spool of string Strap the life jacket as tight as can be Oh, we can fish and fry Wave your last goodbye " could you see

There's too much tobacco spit on these strings

So, you wanna sing next to me You look tall on woody seats Oh, we can fish and fry Wave your last goodbye " could you see

There's too much tobacco spit on these strings

So you wanna walk on the moon You'll be a hero back at school Wave your last goodbye " could you see

There's too much tobacco spit on these strings
