

# Barenaked Ladies, Auld Lang Syne

Should auld acquaintance be forgot  
And never brought to mind?

Should auld acquaintance be forgot  
And days of Auld Lang Syne.

For Auld Lang Syne, my dear,  
For Auld Lang Syne,  
We'll take a cup of kindness yet  
For Auld Lang Syne.

And here's the hand, my trusty friend  
And gives a hand of thine  
We'll take a cup of kindness yet  
For Auld Lang Syne.

For Auld Lang Syne, my dear,  
For Auld Lang Syne,  
We'll take a cup of kindness yet  
For Auld Lang Syne.
