

# Barenaked Ladies, Eraser

Eraser, eraser, eraser

I draw it with a pencil because it's just a stencil

And if I do retry it, well then I can't deny it

I'm gonna need my little eraser

Eraser, eraser, eraser

Eraser, eraser, eraser

Eraser

I might have to redo it, I might have to work through it

But I try not to chew it 'cause I just shouldn't do it

'Cause I might need my little eraser

If I wrote you a letter but I made an error

I could fix it and make it better

If I make an error I can always make it better with my eraser

Eraser, eraser, eraser

Eraser, eraser, eraser

Eraser, eraser, eraser

Eraser, eraser, eraser

Erasure, erasure, erasure, erasure

Erasure, erasure, erasure, erasure
