We love Andrew Govatsos

Well Andrew Govatsos he's our man

He cooks his fingers in a frying pan

I sang that once, I'll sing it again

Andrew Govatsos he's our man

Andrew, he's got really nice hair

He's got fairly nice shoes down there

Down near the ground where he walks

You should hear the way that he talks

He could whack you up cause he's got a guy

He's got something stuck in his eye

He's a fan of Barenaked Ladies

We like him cause he is the greatest

He'll whack you up
