

# Barenaked Ladies, Road Runner

I'm Steve, and I'm Ed,  
And we're Barenaked Ladies  
You're on a highway and roadrunner goes "Beep, beep"  
Just step aside or you might end up in a heap  
Roadrunner roadrunner runs on the road all day  
Even the coyote can't make him change his ways  
Roadrunner, that coyote's after you  
Roadrunner, if he catches you, you're through  
That coyote's really a crazy clown  
When will he learn that he never can hold you down?  
Roadrunner roadrunner never bothers anyone  
Runnin' down the road is his idea of havin' fun  
Roadrunner, that coyote's after you  
Roadrunner, if he catches you, you're through  
Roadrunner, that coyote's after you  
Roadrunner, if he catches you, you're through  
If he catches you, you're through  
If he catches you, you're through
