

BarlowGirl, Here's My Life

Once again I said my goodbyes
To those who I love most
My heart feels that familiar pain
As I long for home
'Cause this road is hard
When I feel so far

God I'm crying out tonight
'Cause I've given You my life
But I'm tired and I'm missing what's behind
So once more here's my life

On the day that You called my name
All that I knew changed
I found when I said yes that I'd never be the same
Though the call is hard
You are worth it all

God I'm crying out tonight
'Cause I've given You my life
But I'm tired and I'm missing what's behind
So once more

Even when the tears are falling
When I find I fear the calling
You remind me
Words You've spoken over my life
Promises I've yet to see
You comfort me

God I'm crying out tonight
'Cause I've given You my life
But I'm tired and I'm missing what's behind
So once more, here's my life
